Important Information for Kader Asmal Fellowship Programme Applicants

Application Process

The Kader Asmal Fellowship Programme invites applications for scholarships for postgraduate study in Ireland commencing in September 2018. This directory provides a full list of available courses.

The Kader Asmal Fellowship Programme opens for applications on **Tuesday 7 November 2017** and the closing date for applications is **Tuesday 20 February 2018**. Applications can only be accepted online via the website of the Canon Collins Trust (www.canoncollins.org.uk).

Fellowships will only be awarded upon confirmation that applicants have been offered a place on one of the courses listed in this directory. While applicants must apply separately to the university, **fellowship applicants are advised that they should not apply for courses in Ireland until they get a direct instruction from the Embassy of Ireland to start the application process**. Please note that application fees will be paid by the Embassy of Ireland for *shortlisted candidates only*. We will let all applicants know the final outcome of their fellowship application by June 2018.

Course Applications

Information on making a course application will be provided to candidates shortlisted by the Irish Aid Selection Panel in April 2018. **Fellowship applicants are advised not to apply for any courses in Ireland without confirmation of shortlisting**. Please note that application fees will be paid by Irish Aid for *shortlisted candidates only*.

Once a candidate is advised by ICOS to submit their course application, they should do so directly to the college in question using the application procedure required by that institution. **Do not** apply to the Embassy of Ireland (Irish Aid), the Canon Collins Trust or ICOS for. Take note of the following points:

- The majority of higher education institutes in Ireland only accept **online** applications. ICOS will advise shortlisted applicants on the application process. Failure to follow the correct procedure or use of **incorrect course details, codes** etc. may result in an application not being accepted by the college;
- Your course application and supporting information must be submitted no later than **11 May 2018**. In cases where some courses have *earlier* submission deadlines ICOS will follow up with candidates to ensure the deadlines are met. Do confirm application deadline for your course on the institution's website;
- Incomplete course applications will take longer to process and may result in you missing the course application deadline;
- When submitting course applications, it is essential that you provide original transcripts of exam results or degree certificates or *certified* photocopies. Uncertified photocopies are not accepted;
- Regardless of when you apply, decisions on course applications may not be notified by universities or colleges until June or early July.

English Language Proficiency

To fulfil Kader Asmal Fellowship requirements, **all candidates for study in Ireland** will be required to hold an IELTS certificate - www.ielts.org - (obtained not more than two years ago) with a minimum score of 6.5. The Embassy of Ireland will cover the cost of an IELTS examination for shortlisted applicants who do not hold a certificate.

Please note that **some courses in Ireland may specify a higher IELTS score** than 6.5 for admission. Where possible, this is indicated in the listings by drawing attention to the course webpage. **It is the applicant's responsibility to research the required academic and IELTS qualification for their chosen course, to ensure that they have the necessary standard.**

NOTES ON COURSE LISTINGS

IRELAND LISTINGS

The courses included in this directory have been deemed relevant for applicants to the Kader Asmal Fellowship Training Programme. While every care has been taken in compiling this listing, full course details for 2018-2019 were not fully available at the time of printing. In addition, some course information, web addresses and contacts will inevitably change during each academic year. **Before preparing or submitting an application, you are advised to check all details with the online information provided by the relevant institution and should not rely solely on the information in this document. You should particularly ensure that you meet all eligibility requirements for the selected courses.**

ABBREVIATED WEB ADDRESSES

Throughout the listings, many long web addresses for course information have been shortened, for example: www.bit.ly/qEdRCn. This format allows for easier transcription, if required. Any capitalisation should be noted accurately as these shortened addresses are case-sensitive.
